

	<b>LIFELONG LEARNING</b>
<b>Subprogramme</b>	<b>COMENIUS</b>
<b>Action Category</b>	<b>MOBILITY</b>
<b>Action</b>	<b>COMENIUS Individual Pupil Mobility</b>
<b>Objectives and description of the action</b>	<p>The Comenius Individual Pupil mobility action allows secondary school pupils to spend between 3 and 10 months in a host school and a host family abroad. Pupil mobilities are organised between schools involved in the same Comenius partnership. In the school year 2012-2013, the countries specified in the eligibility rules below will participate in the action.</p> <p>The aim of the action is to offer European learning experiences to pupils, to develop their understanding of the diversity of European cultures and languages, and to help them acquire competences necessary for their personal development. This action should also be a valuable international pedagogic experience for the teachers involved in the organisation and implementation of the mobility. Furthermore, the action aims to build up sustainable cooperation between the participating schools, to enable them to recognise the studies undertaken at the partner school abroad and to strengthen the European dimension in school education. Mobility can take place only between schools which are or have been involved in a Comenius School Partnership.</p> <p>A reciprocal exchange of pupils between schools/host families is encouraged but is not compulsory.</p> <p><b>Guide to Comenius Individual Pupil Mobility.</b> All actors involved in the Comenius Individual Pupil Mobility – schools, pupils, their parents and host families – should consult the specific Guide to Comenius Individual Pupil Mobility which aims to help them in implementing the action and ensure the safety and well-being of the pupils involved. The Guide specifies roles and responsibilities, deadlines to be respected, gives guidance and provides the necessary templates and forms for participants. The Guide is available in English at the Europa website and in translation at the website of the relevant Comenius National Agency.</p> <p><b>Nomination of a contact teacher and a mentor.</b> The sending school must nominate a contact teacher and the host school must nominate a mentor responsible for the preparation and follow-up of the mobility. Participating schools should give suitable recognition to the work of these staff members for their involvement in Comenius Individual Pupil Mobility.</p> <p><b>Selection of pupils.</b> The selection of pupils will be carried out by the sending school after its application has been approved by its National Agency. The selection of pupils must follow the criteria described in the application form and the advice given in the Guide to Comenius Individual Pupil Mobility.</p> <p><b>Information on selected pupils.</b> Once the pupil is selected, sending families are required to provide all personal information relating to the pupil, which is relevant for a long stay abroad (health, medication, psychological issues) and sign a Parental/Guardian consent form indicating responsibilities of the pupil and his/her family.</p> <p><b>Learning agreement.</b> Sending and host schools are required to establish a learning agreement together with the pupil before the start of the mobility, detailing the courses to be followed during the period abroad and their outcomes. The aim of this agreement is to facilitate the recognition by the sending school of the studies the pupil carries out during the stay abroad. It is also recommended to use Europass mobility certificate.</p> <p><b>Selection of host families.</b> The selection of host families is carried out by the hosting school, which is required to visit the home of the possible host families to ensure the suitability of the accommodation for the incoming pupil. Schools should also identify reserve host families which could accommodate the incoming pupil in the case of difficulties with the original host family. Host schools should ensure that each host family has signed the Host Family Charter, stating its rights and responsibilities, before receiving an incoming pupil. The pupil may be hosted in boarding accommodation belonging to the selected schools provided that they assume all the responsibilities defined for the host family in the Guide to Comenius Individual Pupil Mobility.</p> <p><b>Compulsory training sessions.</b> Selected pupils have to attend compulsory pre-departure and on-arrival training sessions organised by the National Agencies of the sending and hosting countries. Also the contact teachers and the mentors have to attend a training session organised by the relevant National Agency. Trainings sessions for pupils and for teachers will be held at the same time so that pupils are accompanied during their domestic travel.</p> <p><b>Travel arrangements.</b> The sending school is responsible for arranging the international travel for the participating pupil/s. Both schools have to take the necessary arrangements to ensure that pupils do not travel alone from/to the airport/railway station/other to/from the home of the host family and to/from the compulsory training. In the host country, the pupil may be collected by the host family, the mentor or the contact teacher. When necessary, the travel costs for the mentor/the host family or the contact teacher may be reimbursed by the host school from its grant.</p> <p><b>Comenius Group Insurance Plan.</b> During their stay abroad pupils have to be covered by the insurance provided on behalf of the European Commission. The pupil must be registered with this insurance plan one month at the latest before his/her departure.</p> <p><b>Crisis management.</b> The host school will establish and distribute a Crisis Action Plan on the basis of the template provided in the Guide. All actors must follow these guidelines.</p>
